CHILTERN HOUSE

BUSINESS CENTRE

This club is designed for those that do not require our virtual services but do need access to a business environment in which to meet clients and hold key meetings.

The benefits of being a member of our Business Club include:

Business Environment

Business Club members are entitled to free access (by appointment) to our break out/reception area in which you can hold informal meetings or just drop in, read the paper and have a cup of coffee.

Reduced Boardroom and Meeting Room rates – business club members will pay the same rates as resident and non-resident customers for their meeting room use. These rates are significantly reduced from our standard rates payable for one off use of our Boardroom and Meeting rooms.

Client reception

We also offer a meet and greet service for clients attending your meetings.

Preferential payment terms

Thirty day payment terms will apply for meeting room use.

The cost of becoming a member of the Chiltern House Business Club is just £20.00 per month plus VAT and every business club member will be entitled to two hours of meeting room use completely free of charge. We ask for a minimum commitment of 12 months.
