CHILTERN HOUSE

BUSINESS CENTRE

Overview

Chiltern House Business Centre is a completely refurbished, fully air conditioned, modern office building of 9,000 sq ft.

We currently have 70 workstations in 7 offices. Our smallest office is 120 sq ft and our largest 1,350 sq ft.

All of our offices are equipped with high quality maple furniture and fully adjustable high backed operator chairs.

We have also provided leading-edge technology including Cat V cabling, high-speed Internet connections (8 meg ADSL) and an advanced telephone system which includes voicemail. Access to the building is 24/7 via a security card system.

Other facilities include a fully AV equipped boardroom, comfortable meeting rooms, informal break out area, gym and showers all of which are available for use by Licensees and their employees.

We also offer business support in the form of our fully manned reception whose staff will greet visitors and receive and distribute any telephone calls, post or faxes for your company. We can also provide secretarial support services if required.

Our aim is to provide an environment where we take care of the details and allow you to concentrate on running your business successfully.

For more information on our offices and to discuss your requirements in more detail please contact Business Centre Manager Kate Waters on 01491 845500.
